Project Summary

The project intends to provide a permanent venue for ERA at Tickton Grange, for exhibition and selling space, workshops, hot desk for ERA office/workspace, drop in artist advice centre, space for training workshops, arts courses, arts events with a rolling programme including temporary exhibitions from nation and international artists of excellence extending coverage of artists from outside the area, to inform and extend our East Riding Artists.

The proposed restoration of the redundant farm buildings at Tickton Grange offer us this opportunity, with space in the largest barn for all the above, linked with a farm shop, restaurant with local food, an existing successful hotel, with excellent car park facilities, on a main tourist route with good transport links, a bus route, close to the local town of Beverly, but in a very attractive rural environment.
